

SATs Companion

1 What Is SATs Companion ?

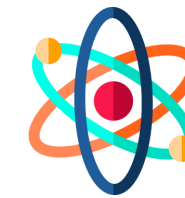

SATs Companion is an **all-in-one learning tool** specifically designed for Year 5 and Year 6 pupils, that supports pupils to **build key skills in English, Maths and Science.**

Maths

English

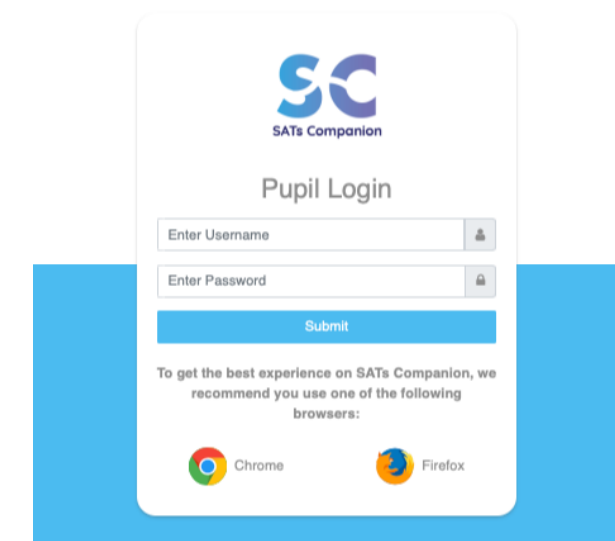

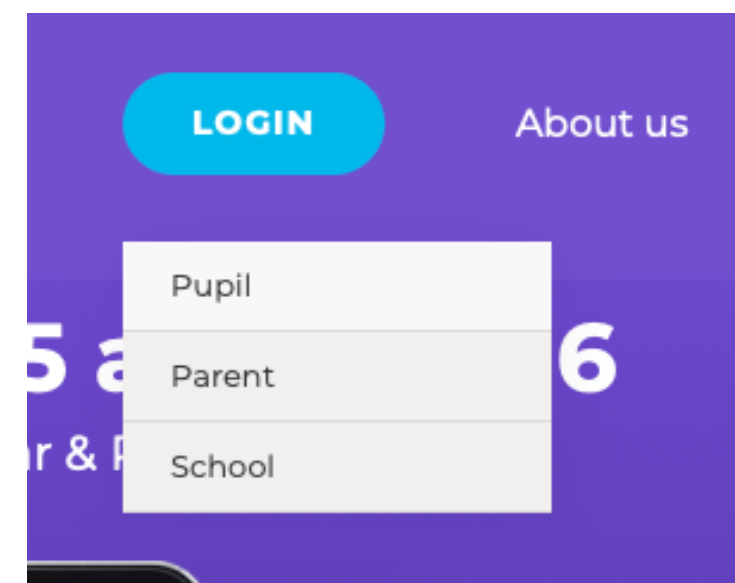

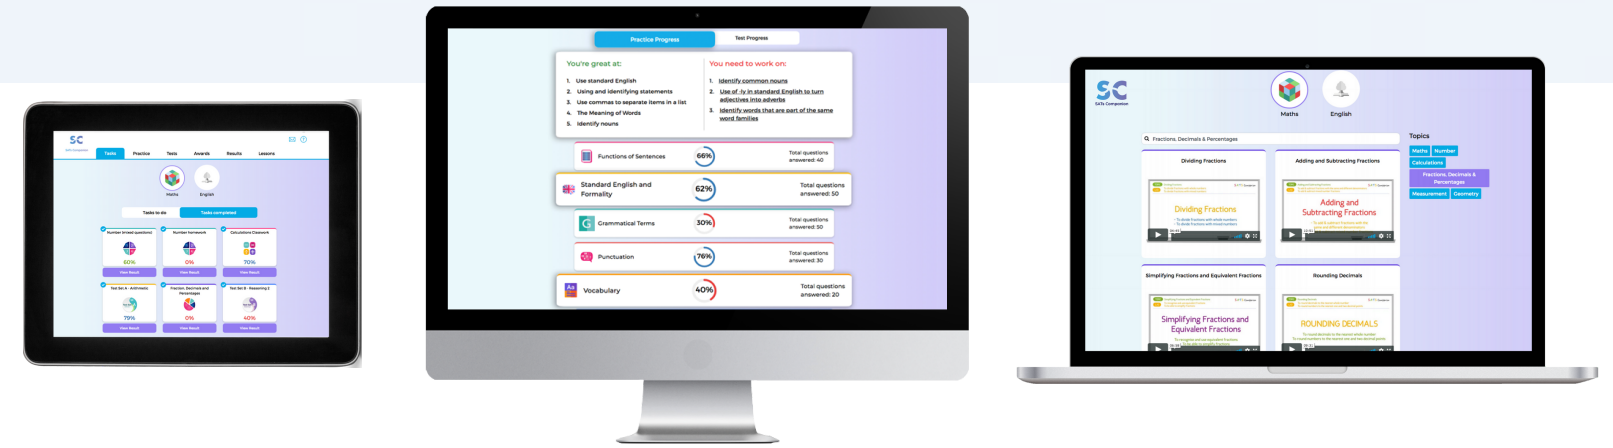

Science

- SATs Companion can be used at school and at home to help build confidence and make progress.
- Short and regular practice on SATs Companion will help build understanding across all topics.

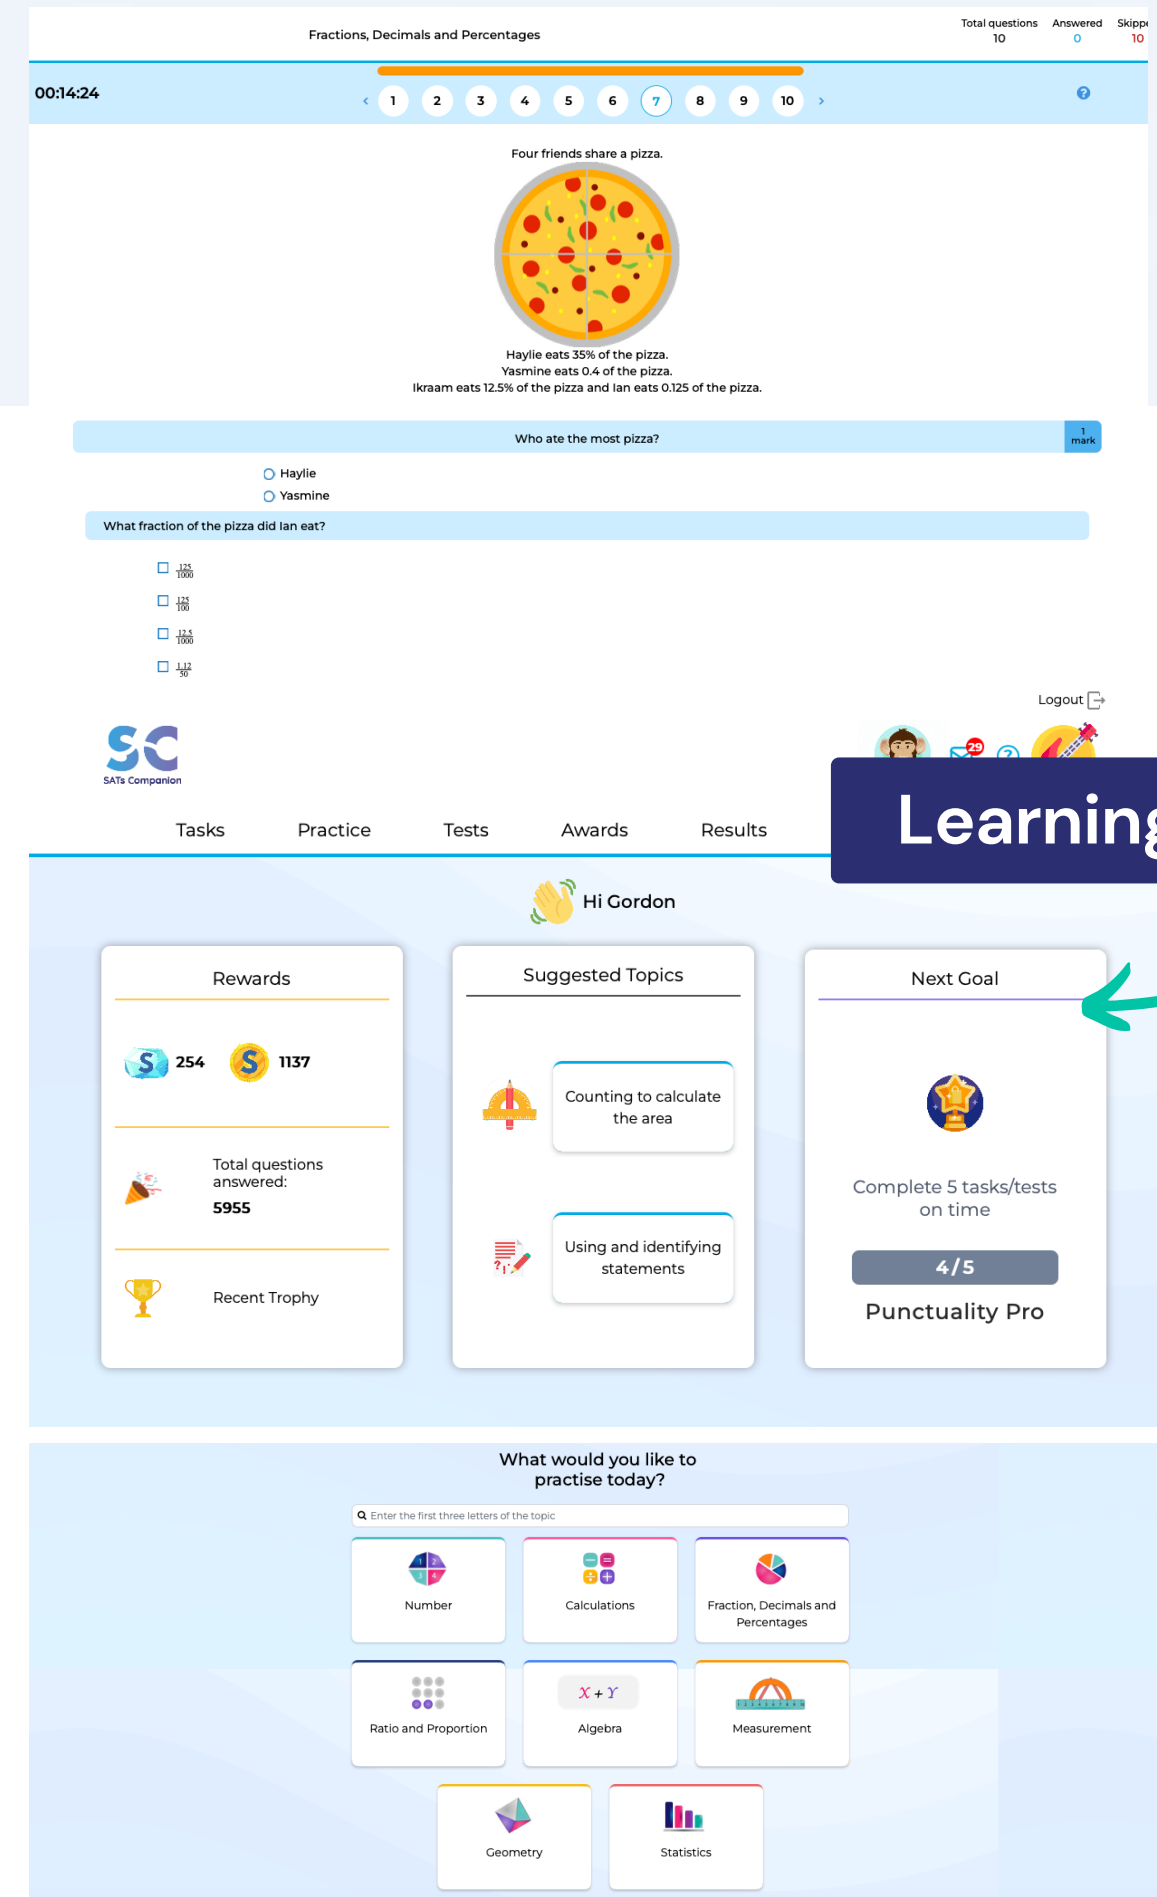

2 How Do You Log In?

- Each pupil will receive a login letter or slip from their teacher with their username and password.
- SATs Companion works on desktops, laptops and tablets at home and at school.
- Recommended browsers are Google Chrome or Firefox.
- Go to www.satscompanion.com and click on 'Login' at the top right side of the page.
- If pupils forget their password, contact the class teacher.

Independent Practice

- Pupils can use SATs Companion to practice topics that they have covered with their teacher.
- SATs Companion will recommend individual learning goals. These tailored topics will help to boost confidence and build understanding.
- Pupils have access to a bank of unique questions covering Maths, English and Science in the practice area.

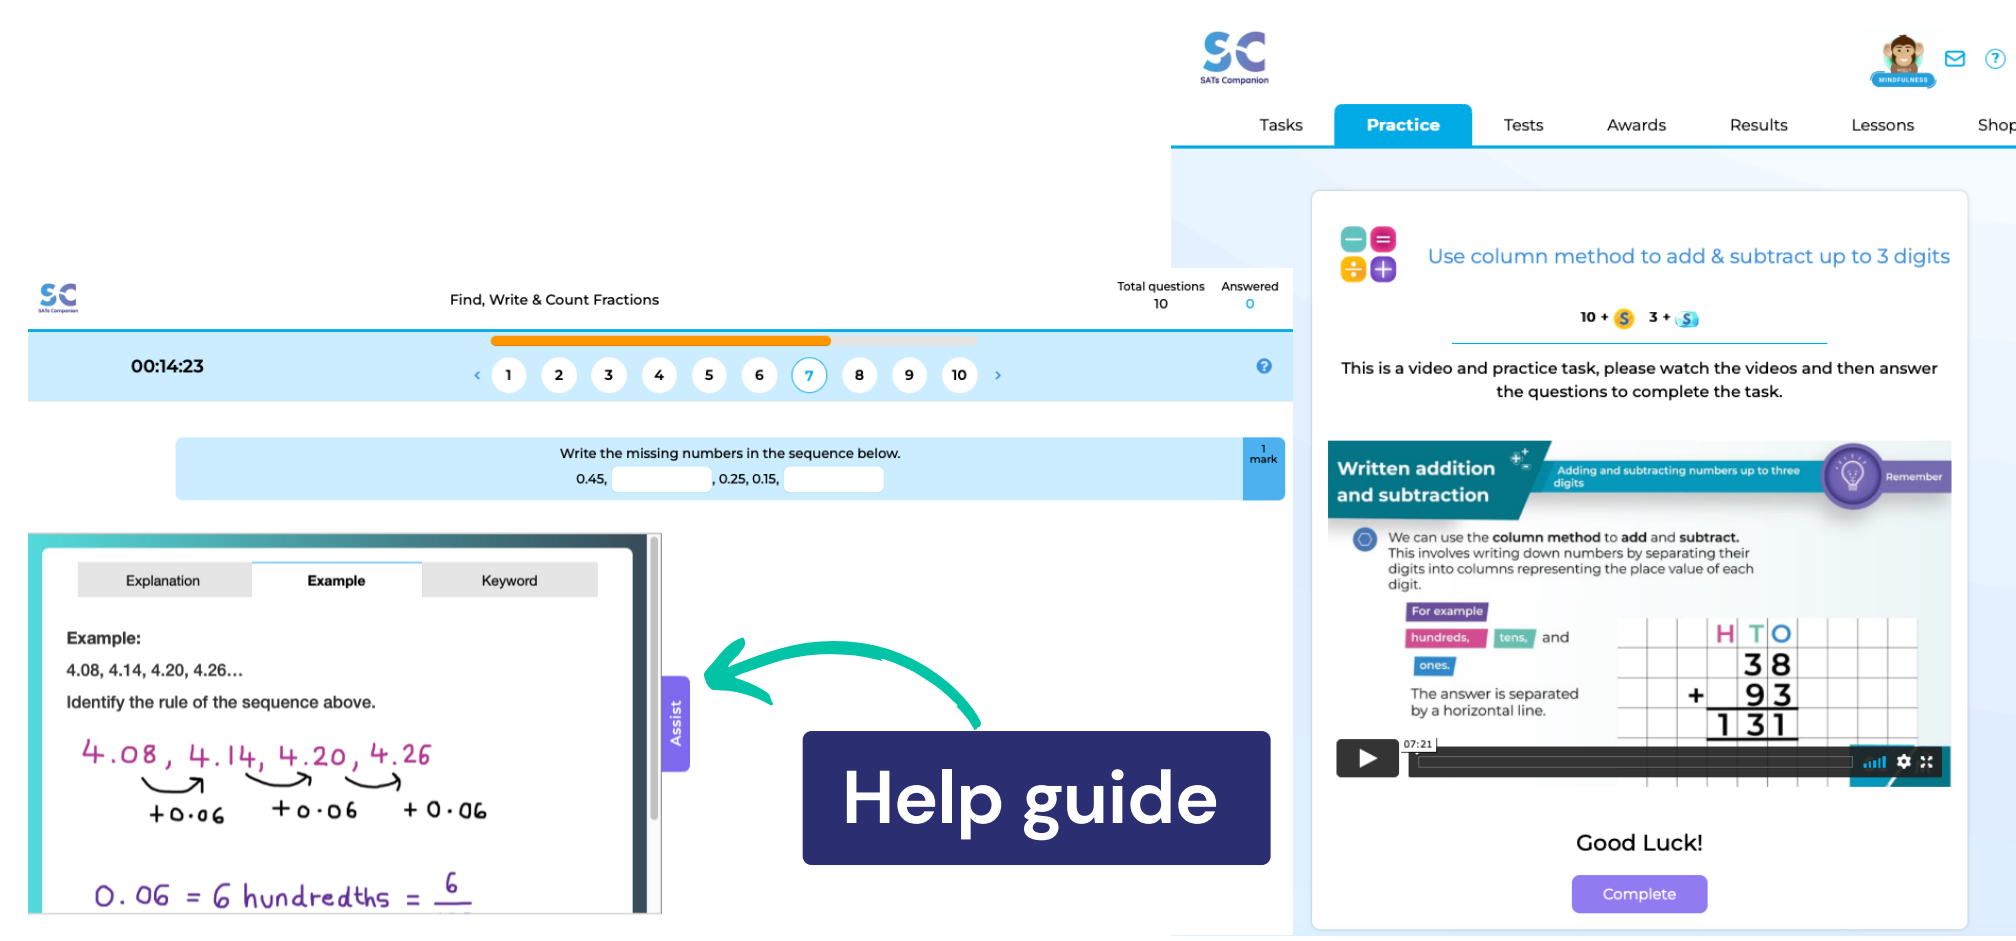

The screenshot displays the SATs Companion interface. The top section shows a math problem titled "Fractions, Decimals and Percentages" with a timer at 00:14:24. The problem involves a pizza shared by four friends: Haylie (35%), Yasmine (0.4), and Ikraam (12.5%). The question asks who ate the most pizza and what fraction Ian ate. Below the problem are radio buttons for Haylie and Yasmine, and checkboxes for fractions $\frac{1}{100}$, $\frac{1}{1000}$, $\frac{1}{10000}$, and $\frac{1}{100000}$.

The bottom section shows the user's dashboard for "Hi Gordon". It includes a "Rewards" section with 254 coins and 1137 points, "Total questions answered: 5955", and a "Recent Trophy". The "Suggested Topics" section lists "Counting to calculate the area" and "Using and identifying statements". The "Next Goal" section shows a goal to "Complete 5 tasks/tests on time" with a progress bar at 4/5 and the name "Punctuality Pro". A blue box labeled "Learning goals" with a green arrow points to the "Next Goal" section.

At the bottom, there is a section titled "What would you like to practise today?" with a search bar and several topic cards: Number, Calculations, Fraction, Decimals and Percentages, Ratio and Proportion, Algebra, Measurement, Geometry, and Statistics.

3 Independent Practice

- Within each practice topic, there is a video, which explains the topic and has examples for pupils to try.
- You can also watch a video through the lessons tab and try answering some questions in the practice area.
- Pupils can access a help guide to 'assist' with learning.
- We highly recommend at least 20 minutes minimum of practice every day.

The screenshot shows the SATs Companion website interface. At the top, there are navigation tabs for 'Tasks', 'Practice', 'Tests', 'Awards', 'Results', 'Lessons', and 'Shop'. The 'Practice' tab is active. Below the navigation, there is a header for 'Find, Write & Count Fractions' with a progress bar showing '00:14:23' and a sequence of question numbers from 1 to 10. The main content area displays a practice task: 'Write the missing numbers in the sequence below. 0.45, [], 0.25, 0.15, []'. Below this, there is a 'Help guide' section with tabs for 'Explanation', 'Example', and 'Keyword'. The 'Example' tab is selected, showing a sequence of numbers: 4.08, 4.14, 4.20, 4.26. The numbers are connected by arrows, and the difference between them is shown as +0.06. Below the sequence, it says '0.06 = 6 hundredths = $\frac{6}{100}$ '. To the right of the help guide, there is a video player with the title 'Use column method to add & subtract up to 3 digits'. The video content shows a column addition problem:
$$\begin{array}{r} \text{H} \text{ T} \text{ O} \\ 38 \\ + 93 \\ \hline 131 \end{array}$$
 Below the video, there is a 'Good Luck!' message and a 'Complete' button.

Help guide

4 Building in 20 minutes a Day

- SATs Companion will work best if pupils make it part of their everyday routine.

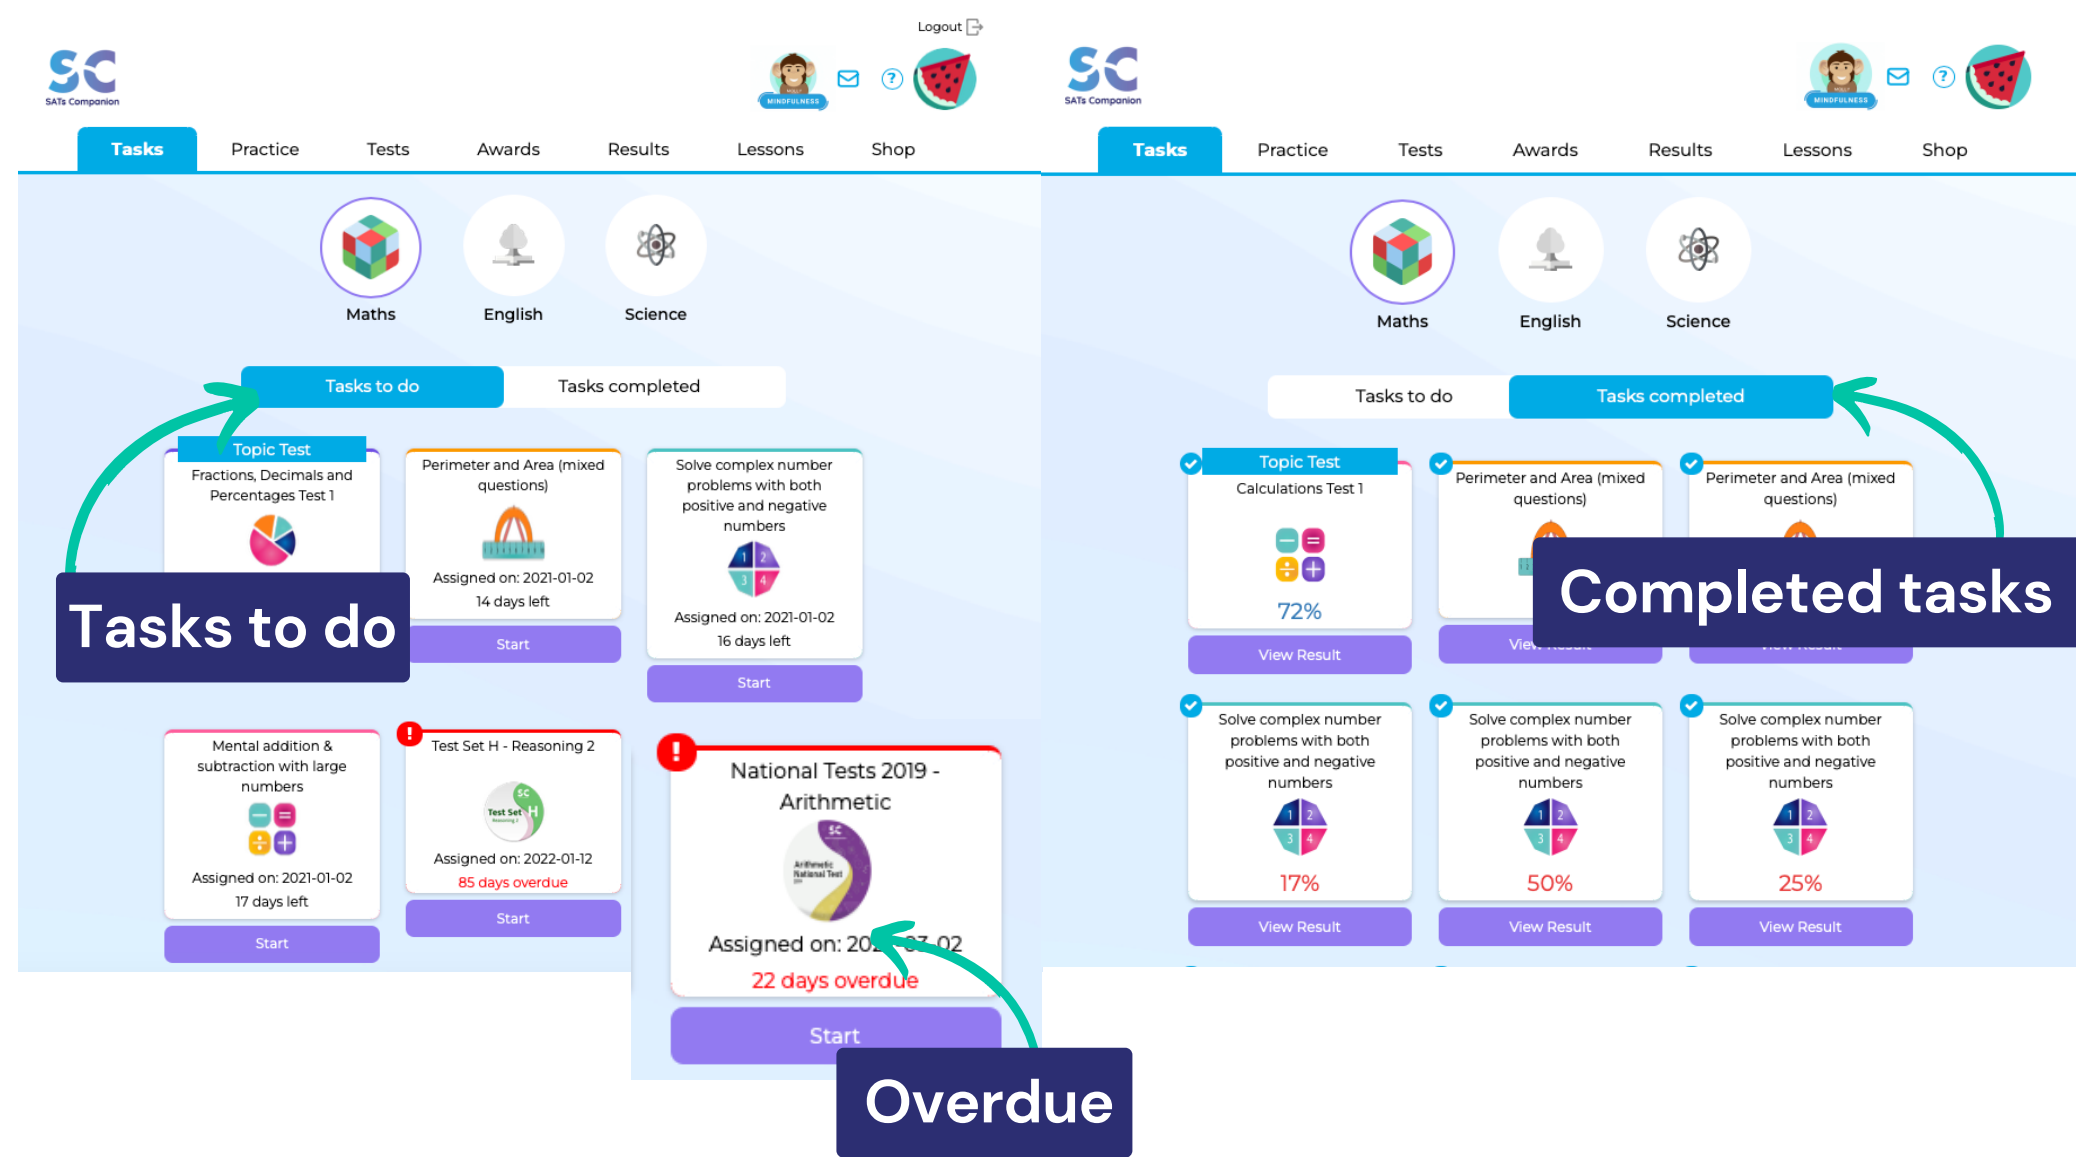

When to use SATs Companion during your day?

- Before breakfast
- Breakfast club
- After school
- After dinner
- Weekends

5 Tasks Set By Your Teacher

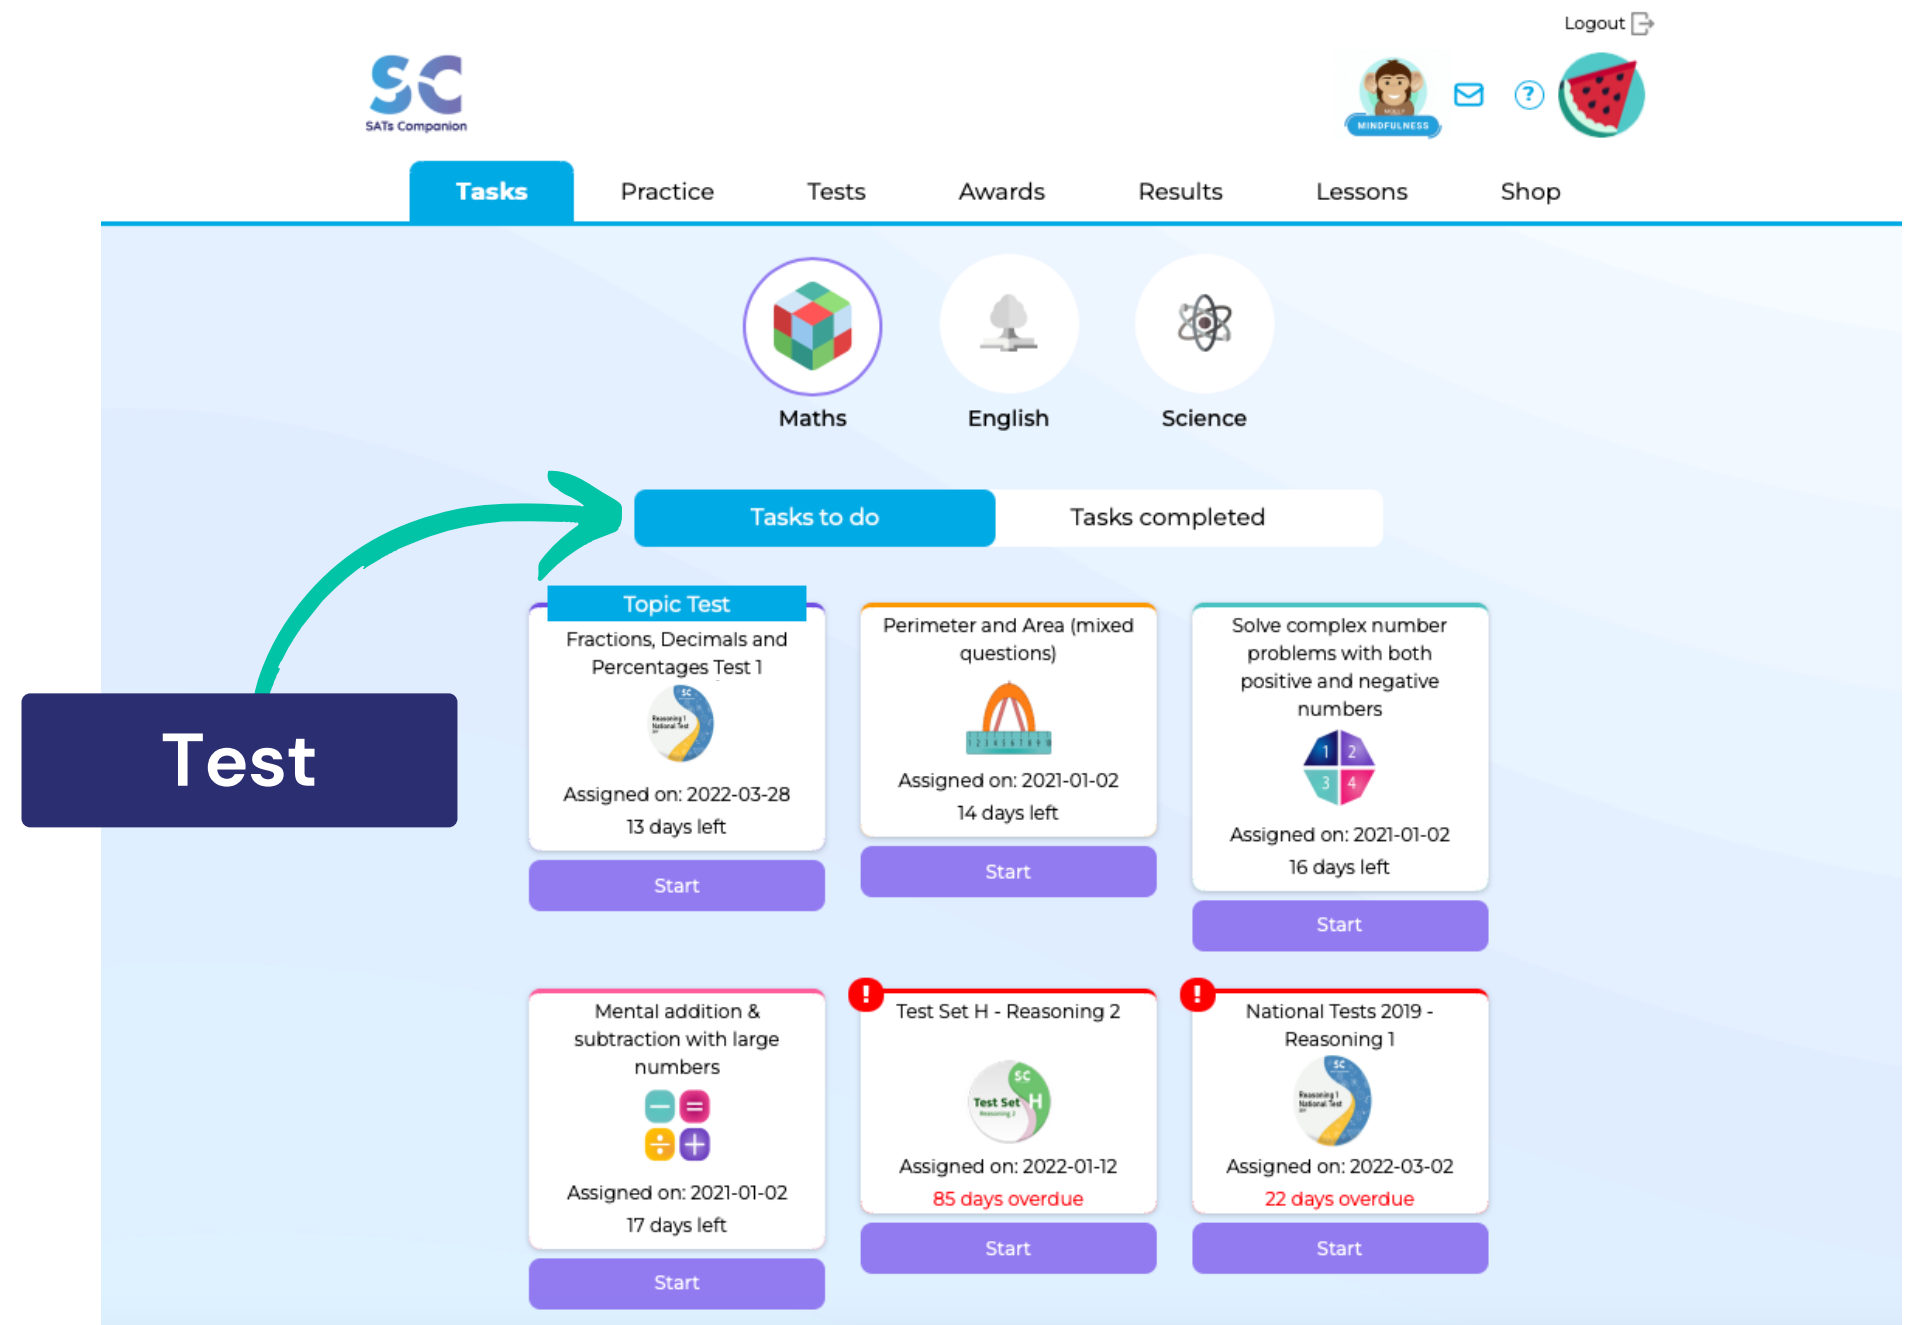

- Tasks can include: homework, revision, GO-Live lessons, or tests.
- Pupils can complete a task after the due date, but this will be marked as a late submission.
- Pupils can see the tasks they have completed under the "completed" tab.

The screenshot displays the SATs Companion interface with two views of the 'Tasks' section. The left view shows the 'Tasks to do' tab, which lists several tasks with their assigned dates and remaining time. A task titled 'National Tests 2019 - Arithmetic' is highlighted with a red border and a red exclamation mark icon, indicating it is overdue by 22 days. The right view shows the 'Completed tasks' tab, which displays tasks that have been finished, along with their completion percentages (72%, 17%, 50%, and 25%) and 'View Result' buttons. A green arrow points from the 'Completed tasks' tab back to the 'Tasks to do' tab, and a blue box labeled 'Overdue' points to the overdue task in the 'Tasks to do' view.

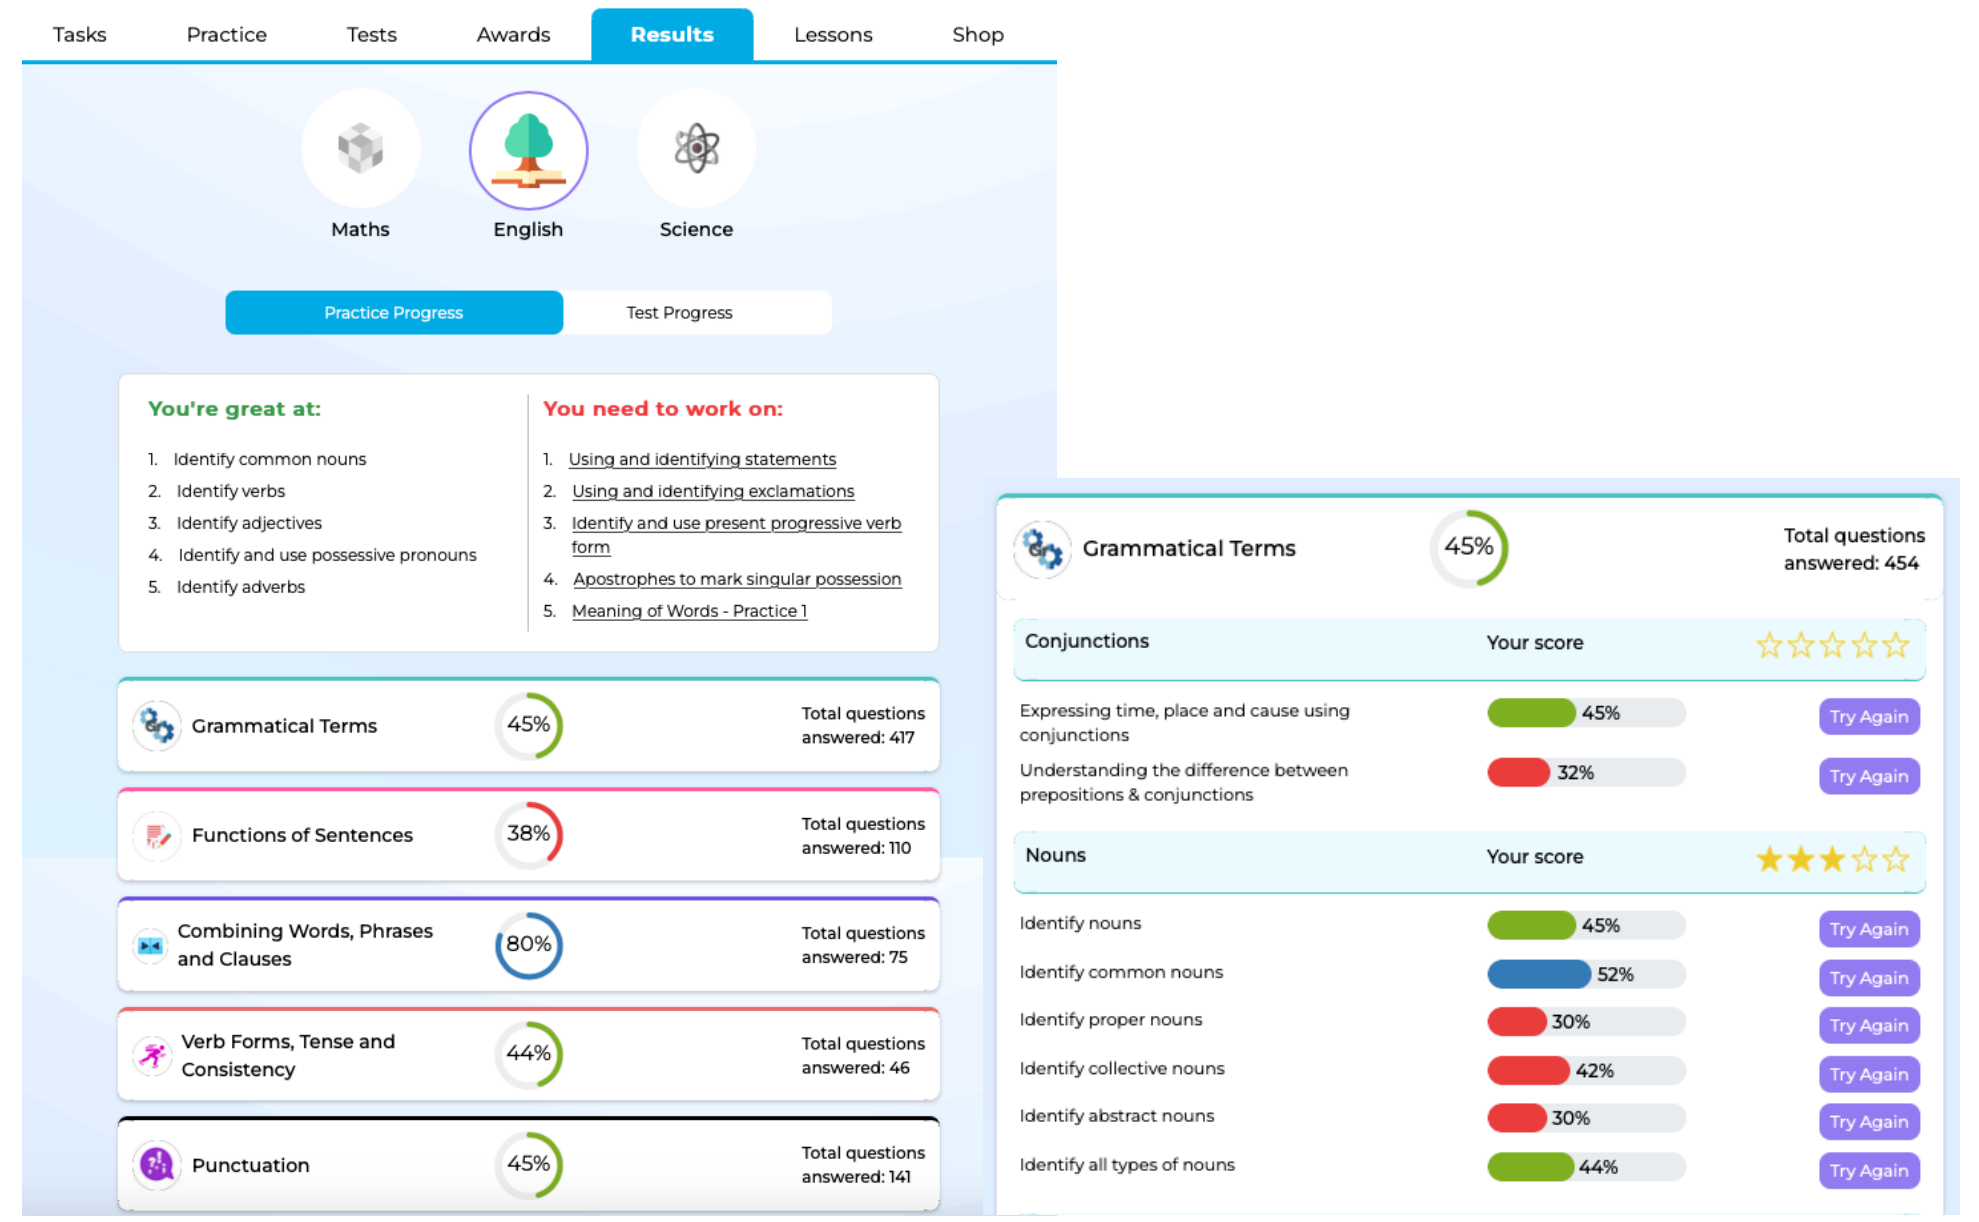

5 Tests Set By Your Teacher

- Tests set by the teacher will show up under the 'task' tab.
- Pupils can only access tests if they have been set by their teacher.

6 Practice Progress and Test Results

- Pupils and their parents can view a real-time report under the 'results' tab.
- Results are broken down into each subject area.
- Pupils can view their progress and address learning gaps.

The screenshot shows the 'Results' tab in the SATs Companion interface. It features a navigation bar with 'Results' highlighted. Below the navigation bar are icons for Maths, English, and Science. The 'English' section is active, showing 'Practice Progress' and 'Test Progress' tabs. The 'Practice Progress' tab is selected, displaying a list of skills categorized into 'You're great at' and 'You need to work on:'. The 'You're great at' list includes: Identify common nouns, Identify verbs, Identify adjectives, Identify and use possessive pronouns, and Identify adverbs. The 'You need to work on:' list includes: Using and identifying statements, Using and identifying exclamations, Identify and use present progressive verb form, Apostrophes to mark singular possession, and Meaning of Words - Practice 1.

Below the skill lists are several progress bars for different subject areas:

- Grammatical Terms:** 45% progress, Total questions answered: 417
- Functions of Sentences:** 38% progress, Total questions answered: 110
- Combining Words, Phrases and Clauses:** 80% progress, Total questions answered: 75
- Verb Forms, Tense and Consistency:** 44% progress, Total questions answered: 46
- Punctuation:** 45% progress, Total questions answered: 141

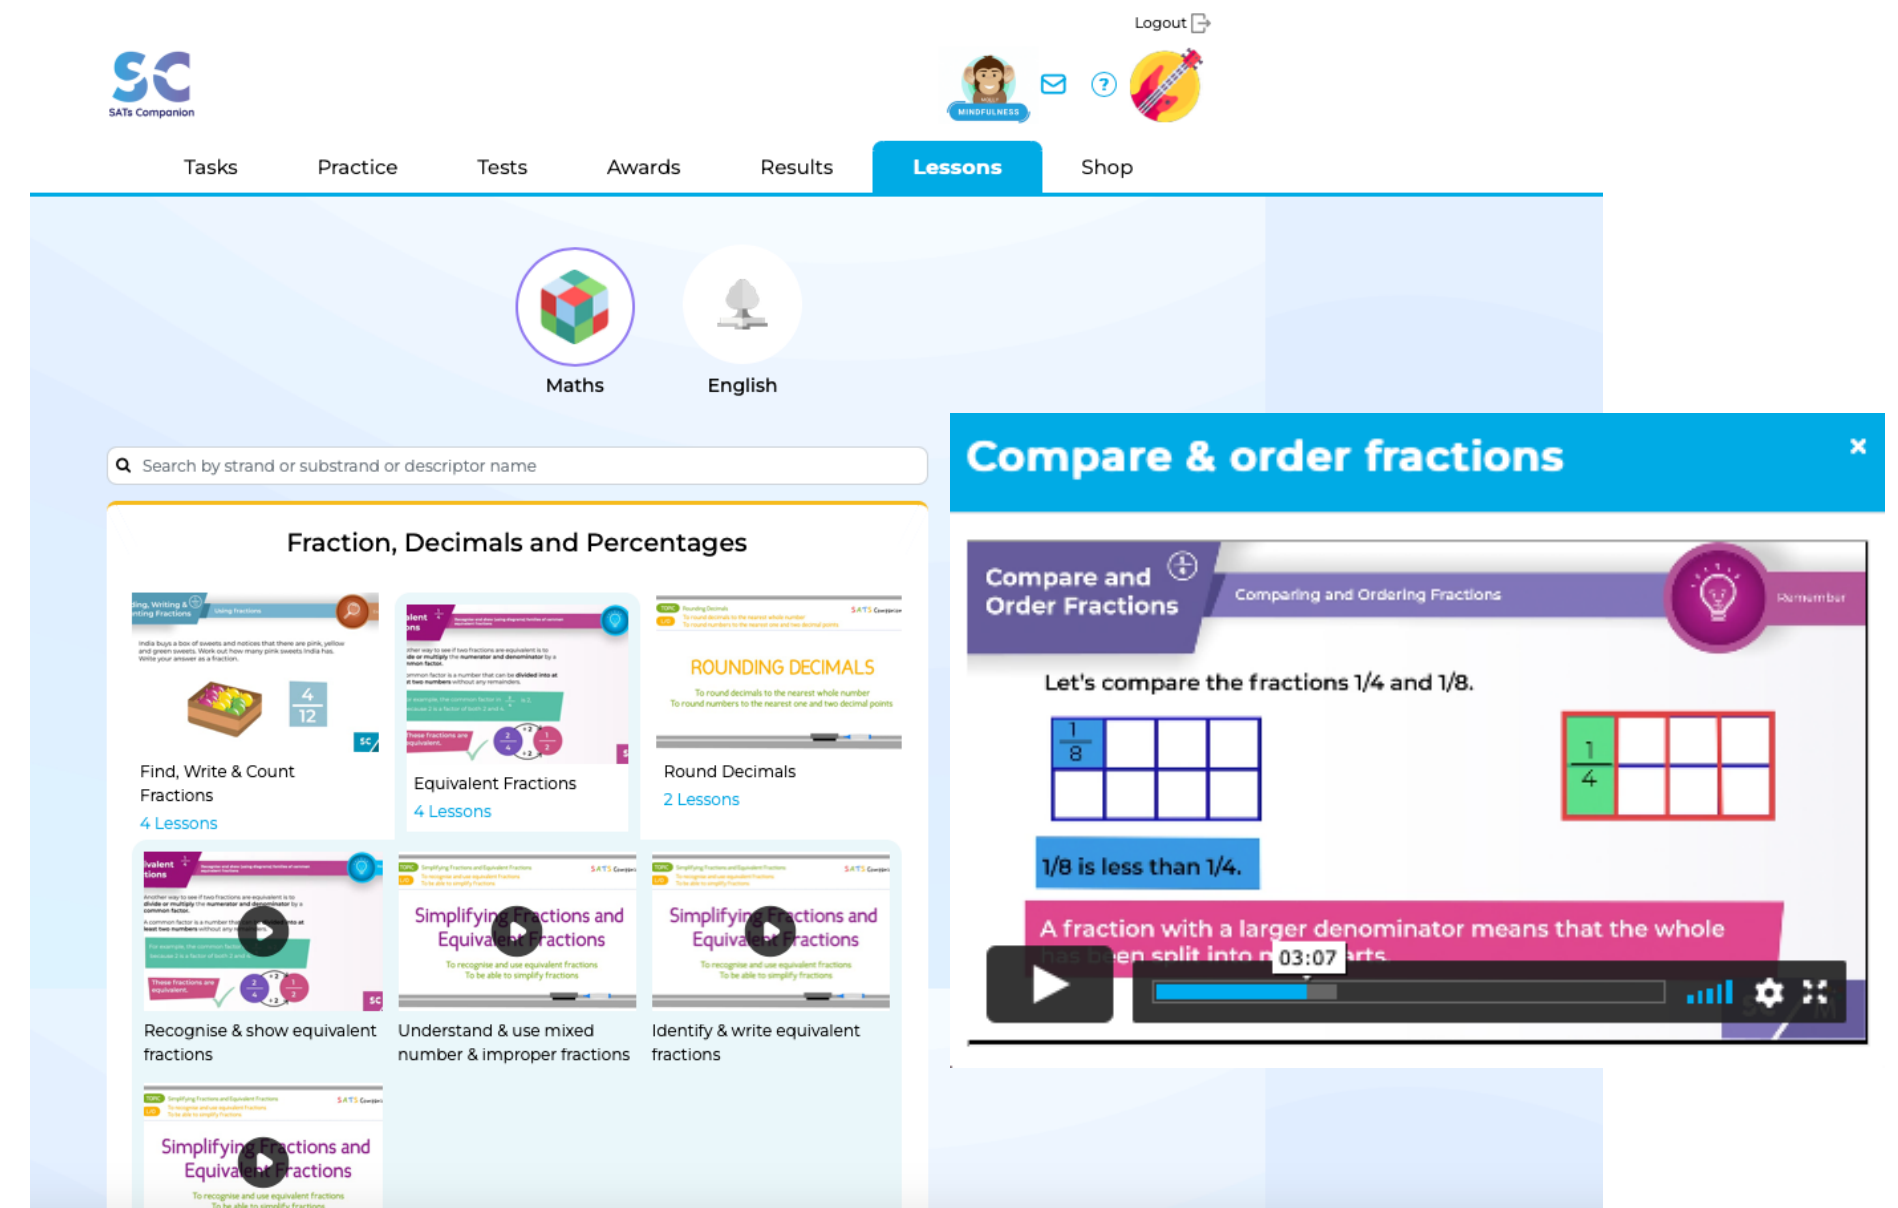

On the right side, there is a detailed view of the 'Grammatical Terms' section, showing a 45% progress bar and a total of 454 questions answered. This section is broken down into 'Conjunctions' and 'Nouns'.

Conjunctions: Your score is 45% (5 stars). Sub-sections include 'Expressing time, place and cause using conjunctions' (45%) and 'Understanding the difference between prepositions & conjunctions' (32%).

Nouns: Your score is 44% (5 stars). Sub-sections include 'Identify nouns' (45%), 'Identify common nouns' (52%), 'Identify proper nouns' (30%), 'Identify collective nouns' (42%), 'Identify abstract nouns' (30%), and 'Identify all types of nouns' (44%).

7 Video Lessons

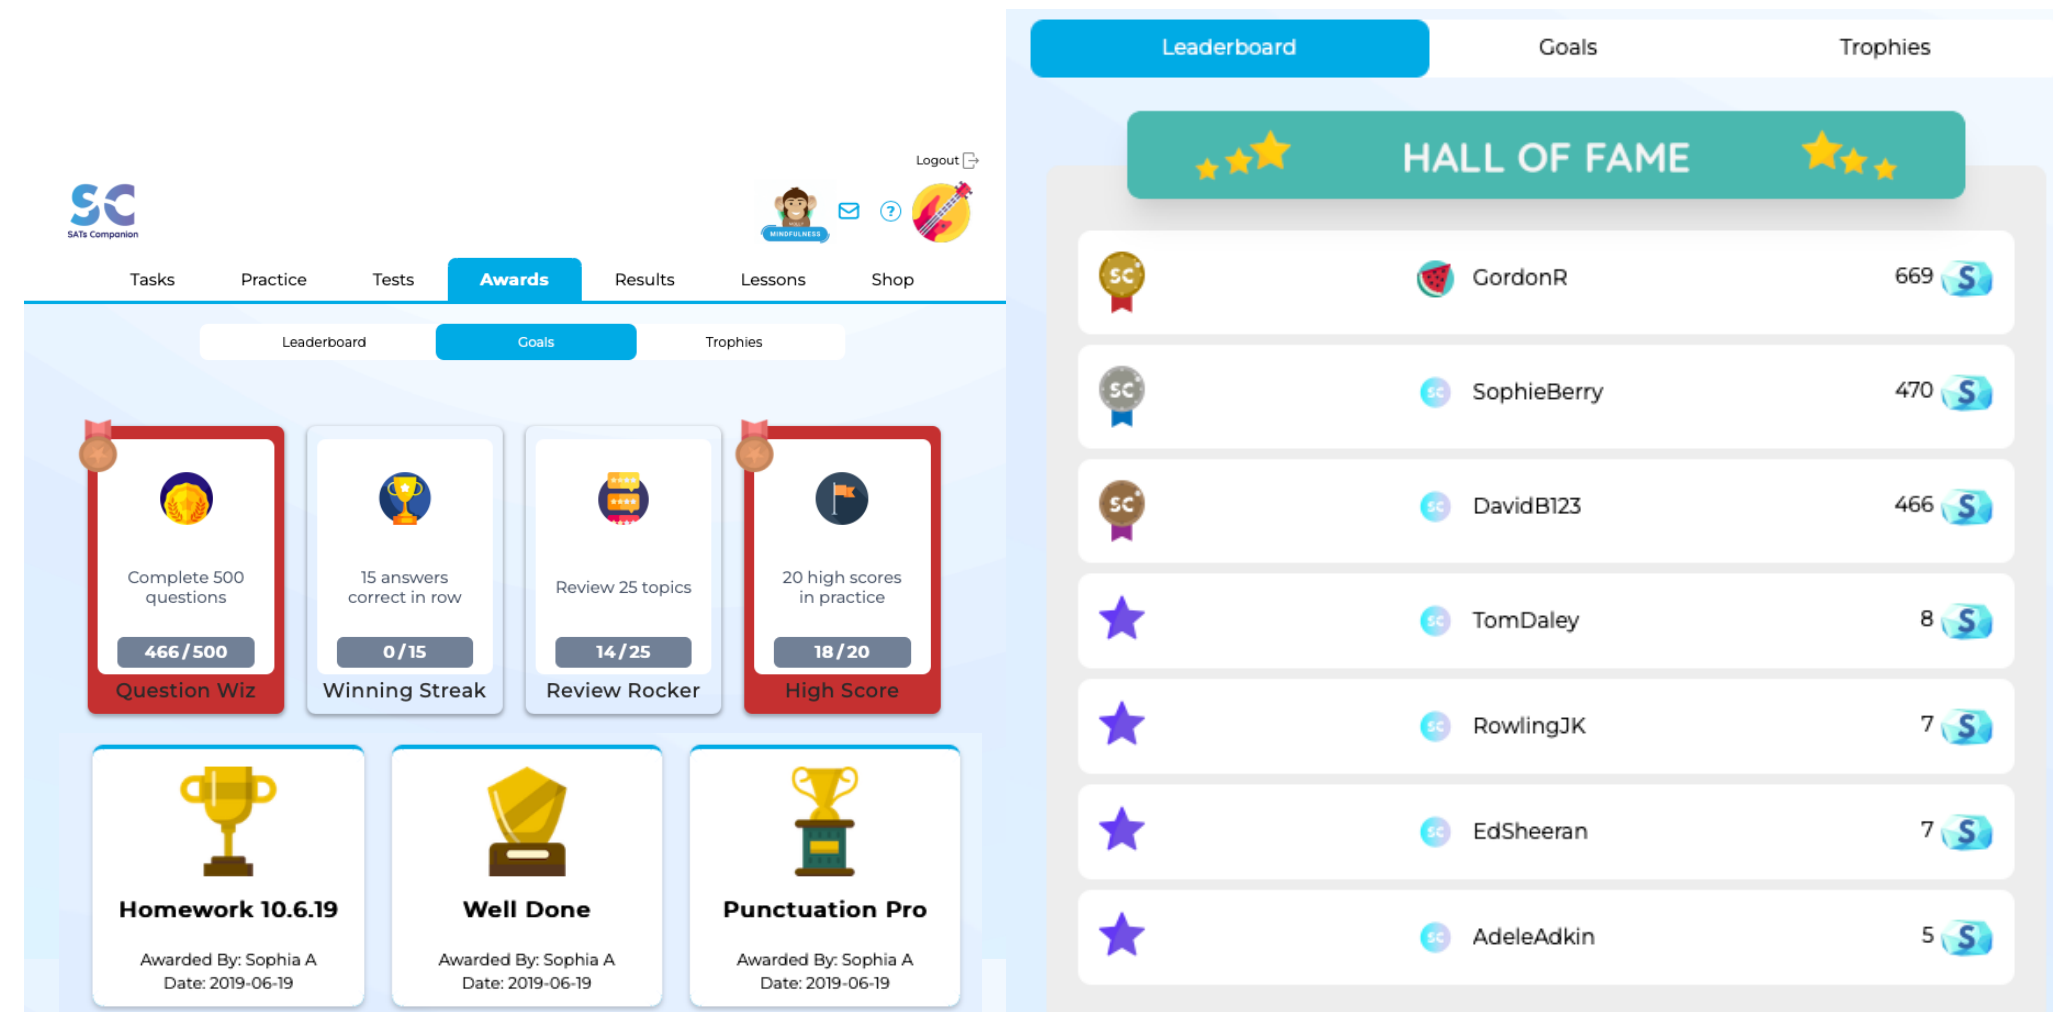

- All pupils will have access to a video library on key topics.
- SATs Companion will automatically recommend videos for each pupil to watch.
- Pupils can use the videos to help with their understanding of topics or support with tasks and homework.
- Videos can be set by the class teacher, to watch as a task or alongside homework.

The screenshot shows the SATs Companion website interface. At the top, there is a navigation bar with links for Tasks, Practice, Tests, Awards, Results, Lessons (highlighted), and Shop. A user profile icon and a 'Logout' button are also visible. Below the navigation bar, there are icons for Maths and English. A search bar is present, with the text 'Search by strand or substrand or descriptor name'. The main content area displays a grid of video lessons under the heading 'Fraction, Decimals and Percentages'. One video lesson is highlighted, titled 'Compare & order fractions'. The video player shows a lesson on 'Comparing and Ordering Fractions' with a duration of 03:07. The video content includes a grid for comparing $\frac{1}{8}$ and $\frac{1}{4}$, and a text overlay stating '1/8 is less than 1/4. A fraction with a larger denominator means that the whole can be split into more parts.'

8 Collect Rewards and Trophies

- You can earn coins and gems by using the platform.
- Coins can be used to customise accounts through the shop section.
- Pupils can view the class leaderboard, along with their Goals and Trophies, under the 'Awards' tab.

The screenshot shows the 'Awards' tab in the SATs Companion interface. It features a navigation bar with 'Tasks', 'Practice', 'Tests', 'Awards', 'Results', 'Lessons', and 'Shop'. The 'Awards' section displays several achievement cards:

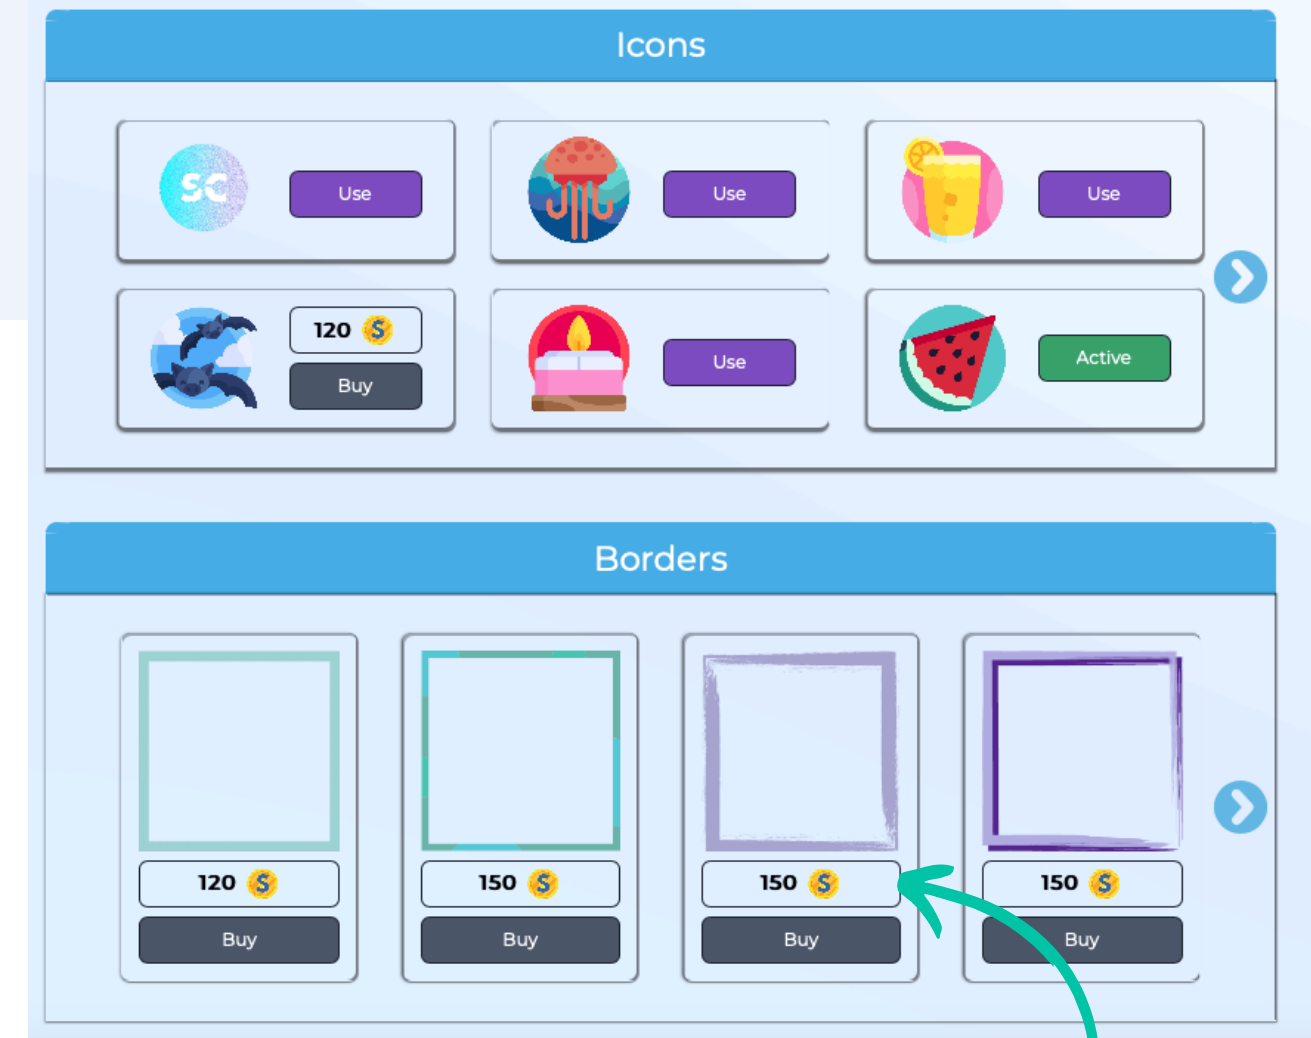

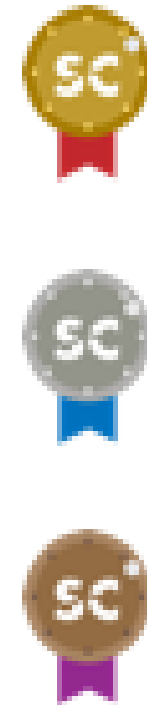

- Question Wiz**: Complete 500 questions (466 / 500)
- Winning Streak**: 15 answers correct in row (0 / 15)
- Review Rocker**: Review 25 topics (14 / 25)
- High Score**: 20 high scores in practice (18 / 20)
- Homework 10.6.19**: Awarded By: Sophia A, Date: 2019-06-19
- Well Done**: Awarded By: Sophia A, Date: 2019-06-19
- Punctuation Pro**: Awarded By: Sophia A, Date: 2019-06-19

Below the awards is a 'Leaderboard' section with tabs for 'Leaderboard', 'Goals', and 'Trophies'. The 'Leaderboard' tab shows a 'HALL OF FAME' with the following entries:

Rank	Profile Icon	Username	Score
1	🍉	GordonR	669
2	🍓	SophieBerry	470
3	🍌	DavidB123	466
4	★	TomDaley	8
5	★	RowlingJK	7
6	★	EdSheeran	7
7	★	AdeleAdkin	5

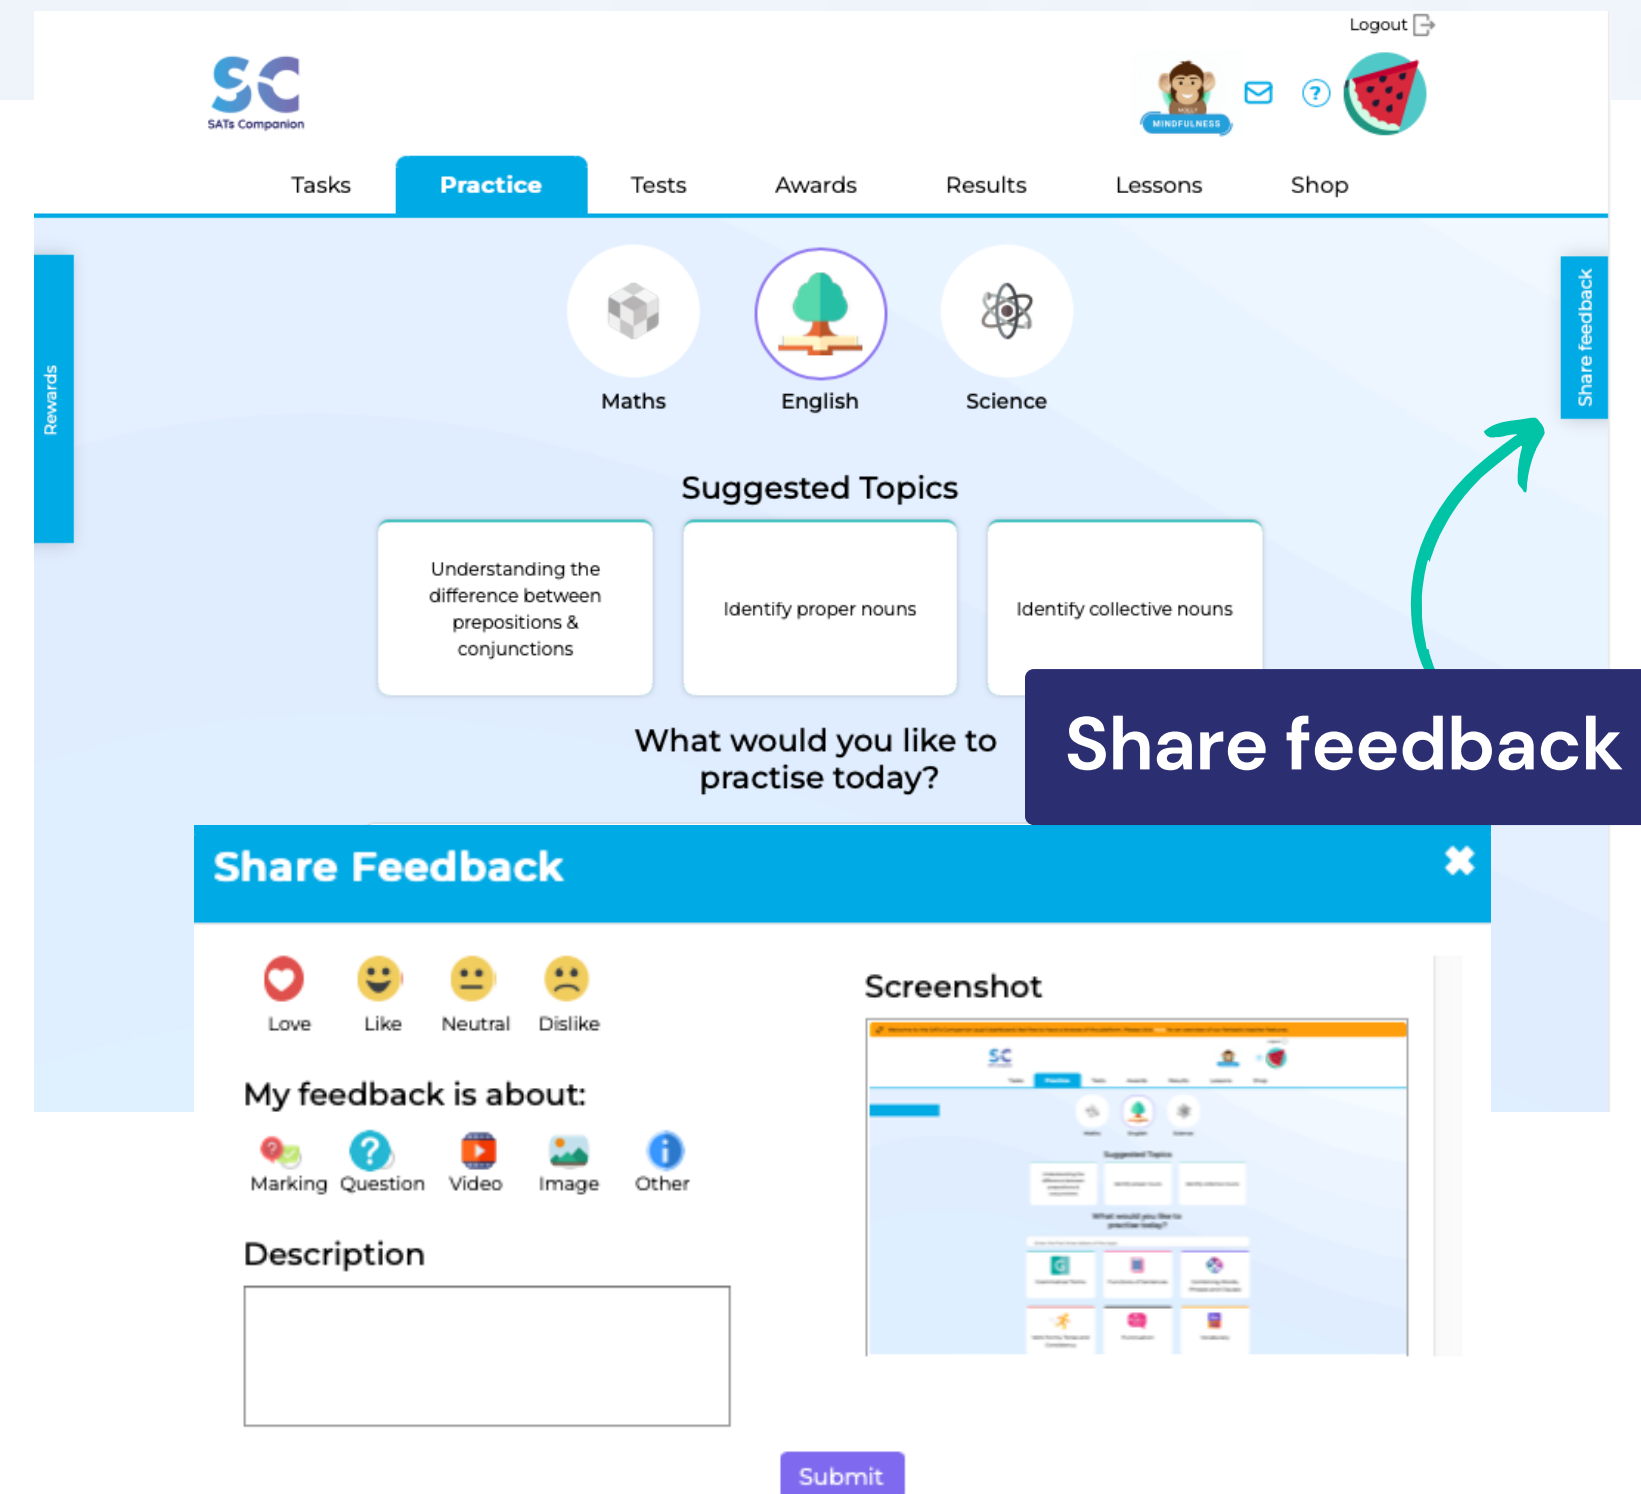

8 Collect Rewards and Trophies

- Pupils can work towards bronze, silver and gold levels on various goals and they can earn additional coins and gems once these are achieved.
- The class teacher also has access to a selection of stickers. These hold a special code that can be used to earn more coins.

Purchase icons, borders & backgrounds

- If you experience any technical issues or wish to provide feedback, you can do so by clicking on the 'share feedback' button.
- You can email us at support@satscompanion.com with any queries.

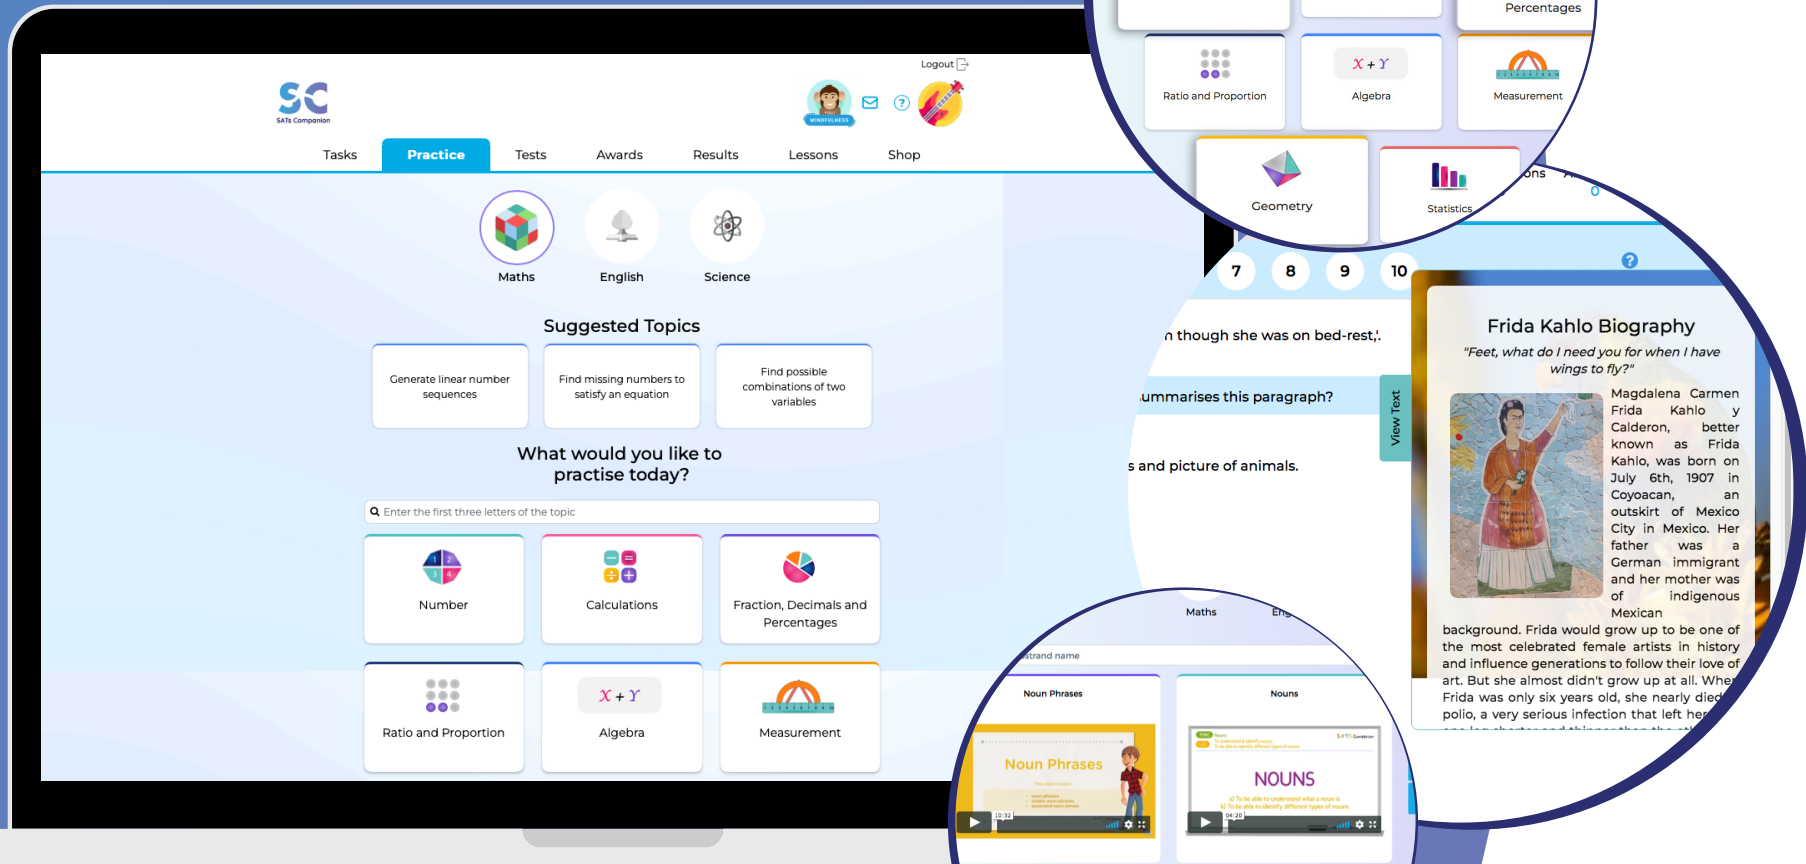

The screenshot shows the SATs Companion website interface. At the top, there is a navigation bar with the SC logo, 'SATs Companion' text, and a 'Logout' button. Below the navigation bar are tabs for 'Tasks', 'Practice' (which is highlighted), 'Tests', 'Awards', 'Results', 'Lessons', and 'Shop'. The main content area features three subject icons: 'Maths', 'English', and 'Science'. Underneath these is a 'Suggested Topics' section with three topic cards: 'Understanding the difference between prepositions & conjunctions', 'Identify proper nouns', and 'Identify collective nouns'. Below the topic cards is a question: 'What would you like to practise today?'. A blue 'Share feedback' button is located on the right side of the page, with a green arrow pointing to it. A dark blue callout box with the text 'Share feedback' is positioned over the button. Below the main content area, a 'Share Feedback' form is displayed. The form has a blue header with a close button. It includes four emoji options: 'Love' (red heart), 'Like' (yellow smiley), 'Neutral' (yellow neutral), and 'Dislike' (yellow frowny). Below these are five category icons: 'Marking' (red speech bubble), 'Question' (blue question mark), 'Video' (red play button), 'Image' (green landscape), and 'Other' (blue information icon). There is a 'Description' text area and a 'Submit' button at the bottom right. A 'Screenshot' section on the right shows a smaller version of the current page.

10 Our Top Tips

- Complete the questions on your own without getting help from peers or your parents.
- Keep practising – hard work and effort is rewarded!
- Go to Lessons and watch videos to help you learn.
- Don't rush to complete tasks and goals. We recommend short and regular practice.

Thank You

Have Fun Learning!

Frida Kahlo Biography
"Feet, what do I need you for when I have wings to fly?"
Magdalena Carmen Frida Kahlo y Calderon, better known as Frida Kahlo, was born on July 6th, 1907 in Coyoacan, an outskirts of Mexico City in Mexico. Her father was a German immigrant and her mother was of indigenous Mexican background. Frida would grow up to be one of the most celebrated female artists in history and influence generations to follow their love of art. But she almost didn't grow up at all. When Frida was only six years old, she nearly died of polio, a very serious infection that left her
